### EDUCATION:

Read together every day and talk about the story.

Point to words as you read them aloud, especially words that are repeated.

Point out and name letters in alphabet books.

Read rhyming books. Encourage children to give the last word in a rhyme.

### NUTRITION:

Following are some basic guidelines that can help you encourage your child to eat right and maintain a healthy weight:

Control the supply lines. You decide what foods to buy and when to serve them.

From the foods you offer, children choose what they eat or whether to eat at all.

Quit the "clean-plate club." Let your child stop eating when feeling he/she has had enough. When children have and respond to feelings of fullness, they are less likely to overeat.

Soda and other sweetened drinks add extra calories and get in the way of good nutrition. Water and milk are the best drinks for children. Juice is fine when it's 100%, but children don't need much of it ... 4 to 6 ounces a day is enough for preschoolers.

### HEALTH & SAFETY:

**Health:** Why is childhood obesity considered a health problem?

Doctors and scientists are concerned about the rise of obesity in childhood and youth because obesity may lead to the following health problems:

### HEALTH & SAFETY (Cont.):

Heart disease caused by:

High cholesterol and/or high blood pressure

Type 2 diabetes

Asthma

Sleep apnea

Social discrimination

**Safety:** Keeping children safe is an important job for parents. You want your child to respect and trust others, but you also need to teach your child to be careful. Following are some simple rules and ways that you can start a conversation with your child about different safety issues –

If you aren't sure, ask me.

If an adult asks you to do something that you are not sure is okay, always ask me first." I won't get mad at you for asking."

No secrets.

Certain body parts are private.

If we get separated, find a security guard or police officer.

When you take your child to a crowded place, look around and point out the person who is there to help if you do become separated
