## Tuition Due

REMINDER!!! All tuition, and co-payments must be brought to date immediately. Students who are behind more than two weeks will be unable to return to class. Tuition is due every Monday and on the 1<sup>st</sup> of the month for those who pay a monthly co-payment. When paying on back tuition, please allow 3 to 5 business days for processing. If you are unsure what you owe, please see Ms. Joi in the office.

## Action For Children News

In an effort to assure quality uninterrupted service, all parents must submit a copy of your completed redetermination application and supporting documentation to the main office **2 MONTHS PRIOR TO THE DATE OF EXPIRATION**. Action for Children is a month behind on all paperwork; therefore failure to turn in needed documentation WILL cause your child-care to be interrupted. If you have any questions or concerns please feel free to see or call Ms. Joi at the number listed above.

## Hallelujah Day!

Here at the Children's Center we **DO NOT** celebrate Halloween, however, we do acknowledge that children enjoy dressing up in costumes. Therefore, children are allowed to wear positive costumes on October 31st. Some examples of positive costumes include but are not limited to; princess, doctor, angel, fairy, construction worker and super hero's. Scary and negative costumes are not allowed. If you are not sure about a costume, please see the main office. **ALL CHILDREN ARE WELCOME TO PARTICIPATE!!**

## New Hours of Operation

Effective September 4, 2018 the Children's Center, Inc. new hours of operation will be **5:30am—8:30pm, Monday—Friday, and Saturday, 7am—4pm**. DCFS rule **407.260(c)** states that children can not be in care for more than 12hrs. Therefore, schedule pickup and drop-off times will be implemented and enforced. Please see the office for more information.

### HEALTH & SAFETY

**Health:** *Let's Move!* is a comprehensive initiative, launched by the First Lady, Michelle Obama, dedicated to solving the problem of obesity within a generation, so that children born today will grow up healthier and able to pursue their dreams. Sure, this is an ambitious goal. But with your help, we can do it.

I'm Moving I'm Learning is the Curriculum used at The Children's Center to help with this process, and to keep children healthy. The curriculum focus on:

1. Creating a healthy start for children
2. Empowering parents and caregivers
3. Providing healthy food in schools
4. Improving access to healthy, affordable foods
5. Increasing physical activity

### Safety & Awareness:

*Parents please remember that we are in a different era. Please encourage our children to discuss their daily activities in-route to school and back home. Safe choices are important for all our children daily.*

### Bus and Pedestrian Safety:

*We will be reviewing bus procedures and street crossing procedures with our Head Start children. Please be on the lookout for more information. The children will discuss these procedures in class before the Bus visit.*

### Read - A- Loud

Take a few minutes and read to your children every night. Make sure that you have enough time to discuss the story with your child(ren).

Point to words as you read them aloud, especially words that are repeated. Point out and name letters in alphabet books. Read rhyming books. Encourage children to give the last word in a rhyme. Help The Children's Center enrich your child's vocabulary.

### Getting the Most Out of Parent-Teacher Conferences

Recommendation: Have an open-mind, If your child is having problems, whether it is academic, behavioral, or social, you and your child's teacher both want the same, a positive outcome. Do ask questions, but also listen. The conference is an important time to work together for an honest assessment of your child's progress and developing a realistic action plan.

### Parent/Teacher Home Visits

Home visits will be conducted the week of October 1-5th. Thank you for your participation.

### NUTRITION:

#### Is Your Child Over-Caffeinated?

Help your child limit caffeine. If your child acts jittery or anxious, or has trouble sleeping, reducing caffeine intake is a smart idea. Because coffee, tea, and soft drinks contribute more caffeine to the diet than other foods and beverages, limiting these beverages is a good place to start. If it's energy your child is seeking, getting to bed earlier or taking a short nap is more productive than consuming caffeine which offers perk for a short time but then may interfere with sleep later than evening.
